

Perth and Kinross Council

Port Waste Management Plan Questionnaire

Perth and Kinross Council (PKC) are seeking feedback from Harbour Users and other relevant stakeholders on port waste management at the harbour. The purpose being to ensure that marine waste provision is adequate and managed.

Completed questionnaire should be returned by the following means:

- Email to harbour@pkc.gov.uk or
- Handed in to the harbour office

1. Do you support the principle of waste minimisation? Yes / No

2. Can you suggest ways that you could minimise the waste you produce?

3. Do you think that the level of waste provision at the port facility is adequate? Yes / No

4. Are the recycling facilities adequate? Yes / No

5. Do you currently recycle any of waste at another facility? Yes / No

6. Would you be happy with an increase in harbour charges for better waste facility provision?
Yes / No
